STATUS INQUIRY

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

The above-identified case was filed on October 23, 2001. We have not yet received the filing receipt, and a copy of the same is requested. The return postcard was received advising the undersigned of the informal serial number. The PAIR system shows a current status and location (Missing Parts Center). A telephone inquiry as to status was made to the United States Patent and Trademark Office on January 4, 2002, when it was recommended that a formal status inquiry not be sent immediately. However, additional time has now elapsed and the filing receipt appears to have never been sent.

Respectfully submitted,

Dated: May 20, 2002
